

September 20, 2005

Attn: FCC VoIP E911 Order
Re: WC Docket No. 05-196
Subscriber Acknowledgement Report 9-22-05

Subscriber Advisory Actions:

Unity Business Networks has advised all customers of the capabilities and limitations of E911 Service provided. The date which is noted below is the date that all subscribers were initially notified.

Method: *Email*
Percentage of customers notified: *100%*
Date: *July 26, 2005*

Quantification of affirmative acknowledgement:

Affirmative Acknowledgement as of September 19, 2005: **100%**

Warning sticker distribution:

Unity has provided warning stickers to **100%** of customers.

Unity has distributed warning stickers via US-Mail to **ALL** customers. Unity has instructed customers to place the stickers on or near phones and/or connected VoIP equipment.

Subscriber Acknowledgement Records:

Unity is maintaining electronic copies of each subscriber's acknowledgement as well as a spreadsheet of the aggregate responses.

Disconnect Procedure:

Unity has received 100% affirmative acknowledgement from our customers, therefore we do not require a disconnect procedure.
